

# SAMPLE DOCUMENT-BY-DOCUMENT EVALUATION REPORT

**Country:** India

**Reference Number:** 00000 IN

**APPLICANT NAME**

**Purpose of Evaluation:** Employment

**DOB:** May 2, 1968

**Date of Report:** July 1, 2004

1. Secondary School Certificate, 1982 awarded by authority of the Board of Secondary Education, Adhra Pradesh. The certificate denotes secondary education but is not alone equivalent to high school graduation. The certificate represents the academic equivalent of the completion of grade 10 in the United States.
2. Intermediate Certificate, 1985, awarded by authority of the Board of Intermediate Education, Andhra Pradesh. The certificate represents the academic equivalent of a high school diploma in the United States.
3. Bachelor of Science, awarded in 1988 by Osmania University, following a three-year program with a major in chemistry. Admission to this program follows high school graduation (Intermediate Certificate). The degree is the academic equivalent of three years of university study in natural sciences at a regionally accredited institution in the United States.
4. Master of Science, awarded in 1990 by Osmania University, following a two-year program in bio-chemistry. In conjunction with prior education (see #3 above), the degree is the academic equivalent of a bachelor's degree in chemistry from, and one year of graduate study in bio-chemistry at, a regionally accredited institution in the United States.
5. Doctor of Philosophy, awarded in 1998 by the Indian Institute of Science, Bangalore, following research and the completion and defense of a dissertation entitled: Characterization of Apoptosis Induced by tRNA Antibodies & Aminopterin & of Asymmetric Division of Cells Grown in Culture. The degree is the academic equivalent of an earned doctorate (Ph.D.) degree in bio-chemistry from a regionally accredited institution in the United States.
6. This is an evaluation of educational credentials. Evaluation Service, Inc., does not assess accomplishments outside of formal academic training. Thus, we do not provide a judgment on professional experience. Only professional authorities in the field of specialization can determine the extent and level of professional expertise.
7. **SUMMARY:** It is the judgment of Evaluation Service Inc., that APPLICANT has the academic equivalent of a high school diploma, a bachelor's degree with a major in chemistry as well as an earned doctorate (Ph.D.) degree in bio-chemistry from a regionally accredited institution in the United States.
